November 7, 2017

Dear FMS families:

Winter break is almost here! With all the activities taking place during the holiday season, it is easy to overlook that the final days of the first semester are approaching. The last instructional day before winter break will be December 20, 2017. This letter serves as a reminder that students enrolled in classes which carry high school credit will be taking first semester examinations beginning December 14, 2017. Exams are very important as they count for 10% of a student's semester average. Teachers will be providing essential information about their course exam and implementing review activities. The semester exams will take place according to the following schedule:

Day/Date:

Exam periods:

Thursday & Friday, 12/14 – 15 6th & 7th grade Algebra I students

8th grade:

Thursday, 12/14	4 th period
Friday, 12/15	1 st period & 5 th period
Monday, 12/18	2 nd period & 6 th period
Tuesday, 12/19	3 rd period & 7 th period
Wednesday, 12/20	Exam make-up day

December 20th is scheduled as a designated make-up day. In the event of inclement weather this day may be utilized as a regular exam day. Exams will not be administered early; students who are absent multiple days will need to coordinate a make-up schedule with the appropriate teacher(s).

At the end of this semester or at the beginning of the new semester, students enrolled in non-credit core courses will be taking a mid-year benchmark assessment. Please check with your child and/or refer to information provided by teachers for when these assessments will be administered. Report cards are scheduled to be delivered to students on Thursday, January 11th.

Sincerely,

Scott A. Simmons
