

# FOREST MIDDLE SCHOOL

## STANDARDS OF LEARNING ASSESSMENTS

Below you will find our school's schedule for SOL testing. On each day of testing it is important to send your child to school **well rested and with a positive attitude**. The tests are not timed, but must be completed by the end of the school day. Each day there will be some tests beginning at 8:55, therefore your child must be at school on time.

The Virginia Board of Education has adopted a resolution to allow select students to complete an expedited retake in grades 3-8. A student must earn a score of 400 on an SOL test in order to receive a pass proficient score. Students who are passing the course and receive a score in the 375-399 range will be provided with an expedited retake option. Parents will be contacted by the school in order to give permission for their child to retake a test. Please note that a decision to not retake a test will not impact your child's grade or academic record. For credit-bearing classes (high school-level), parents will be notified if their child qualifies for an expedited retake. All qualified students of credit-bearing courses will retake the test. Parental permission is not required as a passing score is needed in order to receive a verified credit for the course.

Thank you,

Marion A. Becker  
School Test Coordinator
